To whom It May Concern,

Isaiah Fernandes is a student enrolled in the Masters of Engineering for Engineering specializing in Subsea Engineering. He is an excellent student in good standing within the program. He is contentious and hardworking and I recommend him for employment.

If there are any questions or a need for more information please contact me at wrl_69@tamu.edu.

Ron Ledbetter
Professor of Practice
Subsea Engineering

To whom it may concern:

I strongly recommend Mr. Isaiah Fernandes for full-time employment in your organization. Mr. Fernandes was an outstanding student in the MTDE-633 "Project Management for Engineers " graduate-level course I taught during the Spring of '24 at Texas A&M University.

Throughout the Spring '24 semester, Isaiah actively participated in class debates and contributed to the technical aspects of managing Mechanical Design and Subsea Engineering projects. Based on my interface with him, I can confirm his intellectual abilities, dedication, and work ethics.

Sincerely,

Walter Olarte, Ph.D., P.E.
